## Pattern Information

### About The Pattern

This pattern was created in June 2022 by Danielle Unett of Dano Does Things. A video tutorial for construction can be found at [YouTube.com/c/DanoDoesThings](https://www.youtube.com/c/DanoDoesThings).

### Printing Instructions

If possible, avoid printing and use the pattern as a reference. Simple rectangular shapes should make this achievable with a ruler.

### Copyright Information
